OIL 204

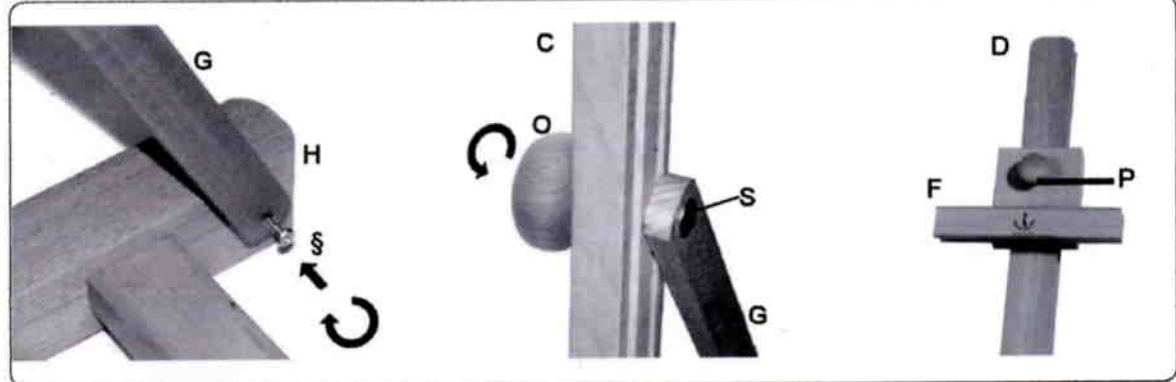

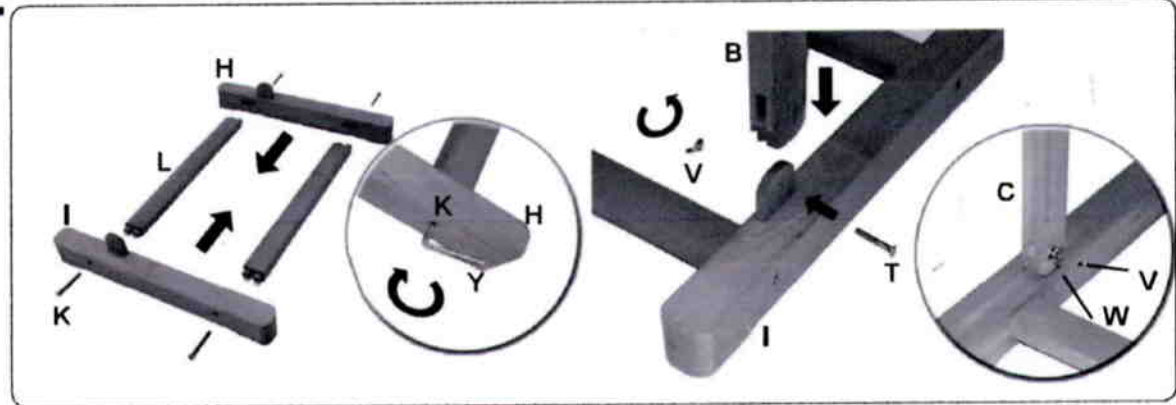

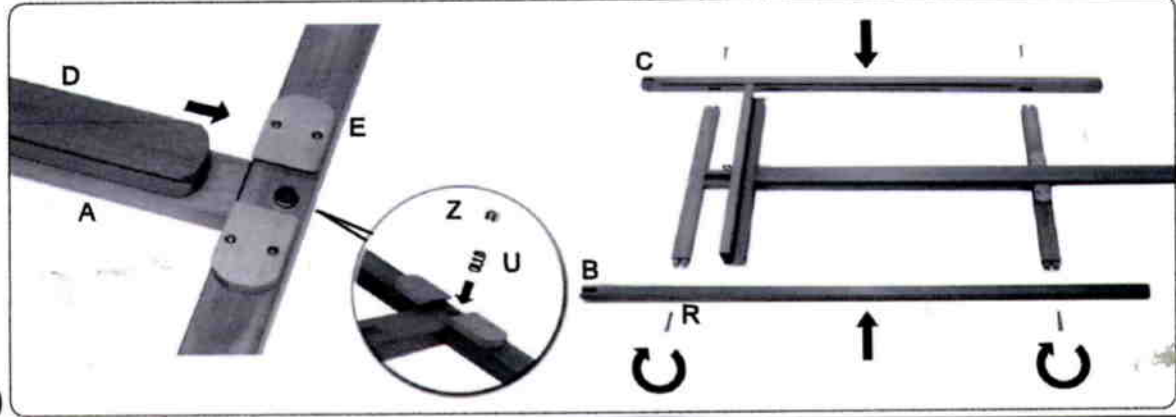

art of making easels

• **Manutenzione:** Le naturali variazioni di colore e di venatura sono caratteristiche del legno.
 • **Maintenance:** Per mantenere nel tempo la bellezza naturale del legno massello del vostro cavalletto si consiglia di utilizzare olio di lino crudo da stendere con un panno morbido.
 • **Maintenance:** The natural changes in colour and grains are characteristics of the wood.
 To keep unchanged the natural beauty of your wooden easel we suggest the use of linseed raw oil to be applied with a soft cloth.
